Instructions: play from the begining to the double bar line four times,
however the fourth time play only to the # and skip to after the double
bar line. For the next verses substitute the \$ for the *.

I tried to leave you, I don t deny
I closed the book on us, at least a hundred times.
I d wake up every morning by your side.

The years go by, you lose your pride.
The baby s crying, so you do not go outside,
and all your work it s right before your eyes.

Goodnight, my darling, I hope you re satisfied,
the bed is kind of narrow, but my arms are open wide.
And here s a man still working for your smile.
