They were wait-ing for me when I thought that I just cant go on  
**E B A G#m F# F#sus4 F#**  
And they brought me their com-fort and later they brought me their song  
**B E F# B E**  
Oh I hope you into them who ve been trav-ling so long

**A/D E/A B7 E A/D E/B B7 E B F#**

Yes you who must leave everything  
That you cannot control  
It begins with your family,  
but soon it comes round to your soul  
Well I ve been where you re hanging  
I think I can see how you re pinned  
When you re not feeling holy  
Your loneliness says that your ve sinned

They lay down beside me  
I made my confession to them  
They touched both my eyes  
And I touched the dew on their hem  
If your life is a leaf  
That the seasons tear off and condemn  
They will bind yoou with love  
That is graceful and green as a stem

When I left they were sleeping  
I hope you run into them soon  
Dont turn on the lights  
You can read their address by the moon  
And you wont make me jealous  
If I hear that they sweetened your night

We werent lov-ers like that  
**B F# B**  
And besides it would still be all right

We werent lovers like that  
And besides it would still be all right
