**Leonard Cohen**

Song of Bernadette by Leonard Cohen

**C** **G** **F** **F** **G** **C**  
There was a child Named Bernadette, I heard the story long ago  
**C** **G** **F** **G** **C**  
She saw the queen of heaven once and kept the vision in her soul  
**C7** **F** **D** **G**  
No one believed what she had seen, no one believed what she had heard  
**C** **G** **F** **Dm7** **G** **C**  
That there were sorrows to be healed and mercy, mercy in this world.

**F** **Am**  
So many hearts I find, Broke like yours and mine  
**F** **Dm7** **G7**  
Torn by what we ve done and can t undo.  
**C** **G** **F** **Am**  
I just want to hold you, come on let me hold you  
**F** **G** **C**  
Like Bernadette would do.

**C** **G** **F** **F** **G** **C**  
We ve been around we fall, we fly. We mostly fall we mostly run.  
**C** **G** **F** **F** **G** **C**  
And every now and then we try, to mend the damage that we ve done.  
**C7** **F** **D** **G**  
Tonight, tonight I cannot rest. I ve got this joy here inside my breast.  
**C** **G** **F** **Dm7** **G** **C**  
To think that I did not forget, that child, that song of Bernadette.

Repeat chorus

**C** **G** **F** **Am** **F** **G** **C**  
I just want to hold you, come on let me hold you, like Bernadette would do.

Enjoy this beautiful song, transcribed from Jennifer Warnes Famous blue raincoat.

The key is not neccessarily the same as the record!
