TENNESSEE WALTZ
by Pee Wee King

[Intro] **C# F# C# G# C# C#**

[Verse 1]
```
        C#                                  C#7         F#
   I was dancin  with my darlin to the Tennessee Waltz
          C#          Bbm          Eb      G#
   When an old friend I happened to see.
          C#                             C#7              F#
   I introduced him to my darlin  and while they were dancin
       C#              F#     C#    G#     C#
   my friend stole my sweetheart from me.
```

[Chorus 1]
```
       C#             C#7        F#         C#
   I remember the night and the Tennessee Waltz
                          Bbm         Eb      G#
    cause I know just how much I have lost
         C#                         C#7             F#
   Yes I lost my little darlin  the night they were playin
       C#          F#  C#  G#    C#
   That beautiful Tennessee Waltz
```

   [CHORUS 1]   or [CHORUS 1] alone again

[Verse 2]
```
        C#                                  C#7         F#
   Now I wonder how a dance like the Tennessee Waltze
           C#          Bbm          Eb      G#
   Could have broken my heart so complete
          C#                             C#7              F#
   Well I couldn t blame my darlin , and who could help fallin
       C#              F#  C#     G#  C#
   In love with my darlin  so sweet
```

[Chorus 2]
```
        C#              C#7         F#         C#
   Well it must be the fault of the Tennessee Waltz
                          Bbm             Eb      G#
   Wish I d known just how much it would cost
         C#                              C#7             F#
   But I didn t see it commin , it s all over but the cryin
          C#             F#  C#  G#    C#
   Blame it all on the Tennessee Waltz
```

(solo, same as a verse)

[Chorus 2]
                C#   C#7   F#
        She goes dancin with the darkness to the Tennessee Waltz
           C#   Bbm   Eb   G#
        and I feel like I m falling apart
                  C#   C#7   F#
        and it s stronger than drink and it s deeper than sorrow
           C#   F#   C# G# C#
        this darkness she left in my heart

        I remember the night ... [CHORUS 1]

        That beautiful Tennessee Waltz
