My life don t ever get in a rut, *whoop-whoop-whoop-whoop*

Is is wetter under water, if you re there when it rains?

D

Is it shorter to New York, than it is by a plane?

G

Between myself and I, I wonder who s the dumber

D -stop-

Is it hotter down south, than it is in the summer?

Beedle-dee-bah, beedle-dee-bah, beedle-dee-ree-pa-dom...

[Chorus]

D A7

I drove my Cadillac to Vegas to satisfy my lust

D

Wheelin , dealin , left ol Vegas on a Greyhound bus

G

I sure didn t set the woods on fire while I was there,

D -stop-

But remember only forest fires prevent bears

Beedle-dee-bah, beedle-dee-bah, beedle-dee-ree-pa-dom...

[Solo]

D A7 D G A7 D

[Chorus]

D A7

The poverty war will be over, when I begin to fight

D

If it took a dime to go round the world I couldn t get out of sight

G

I don t mind to take the girls out if they don t mind to go Dutch

D

-stop-

Makes me feel like a million dollars, and I bet I ain t worth half that much
Beedle-dee-bah, beedle-dee-bah, beedle-dee-ree-pa-dom...

Oh, crazy man! I m a nut!
Oh, Lordy, Lordy Lordy, Lordy
