Stars
Les Miserables

(Intro)

C G C F C G C G

(Verse 1)

```
C          G              Am
There, out in the darkness
     G         F
A fugitive running
Dm  C          G
Fallen from god
 G             C
Fallen from grace
G              Am
God be my witness
    G             F
I never shall yield
 Dm                    G
Till we come face to face
  G                   Am
Till we come face to face
Am                        Dm
He knows his way in the dark
G                        Em
Mine is the way of the Lord
                            F
And those who follow the path of the righteous
                 C
Shall have their reward
          Fm  (133114)
And if they fall
          Bb  (113314)
As Lucifer fell
     D#/Eb   (Barre 3rd fret, regular C shape) (x65343)
The flame
       G    [Barre is preferred (355433)]
The sword!
```

(Verse 2: Same as verse 1)

```
C
Stars
G          Am
In your multitudes
 G             F
Scarce to be counted
```

```
Dm C          G
Filling the darkness
 G            C
With order and light
G            Am
You are the sentinels
G           F
Silent and sure
 Dm                 G
Keeping watch in the night
  G                    Am
Keeping watch in the night

Am                        Dm
You know your place in the sky
G                             Em
You hold your course and your aim
                        F
And each in your season returns and returns
              C
And is always the same
           Fm            Bb
And if you fall as Lucifer fell
D#/Eb         G
You fall in flame!

(Bridge to Outro:)

G              C                 Em
And so it has been and so it is written
       Bb           F
On the doorway to paradise
F              G#      C#        C
That those who falter and those who fall
 Dm           G
Must pay the price!

C G C

G              F
Lord let me find him
 F          G
That I may see him
 F            C
Safe behind bars
G        F
I will never rest
       Dm
Till then
        G
This I swear
                    C              G   C
```

This I swear by the stars! (The final note is sung through the G and C)
