#####Please Note#####
This is my own interpretation of the song.

Intro: **C D A F** x s 2

C **A**
Dear you won't answer me do you honestly,
F **G**
Think I'd ever leave, if you somehow just believe me
C **A**
You've gotta know right now these words still sting,
F **G**
I've lost everything, I've ever touched
A **G** **F** **A** **G** **F**
The results are freakin' me out, for once I've had enough

Chorus:

C **D** **A** **F**
Landmines, Landslides no matter how I try
C **D** **A** **F**
Landmines, Landslides every single time

Verse 2:

C **A**
I fell asleep while watching T.V.,
F **G**
While the living dead, they walk my streets this evening
C **A**
This sitting target's been, stuck on the couch again
F **G**
Pretending, I'm stable when the panic sets in
A **G** **F** **A** **G** **F**
The results are freakin' me out, for once I've had enough

Chorus:

C **D** **A** **F**
Landmines, Landslides no matter how I try
C **D** **A** **F**

I m destined for disaster, a failure by design

C D A F

Landmines, Landslides every single time

C D A F

I m destined for disaster, I m trapped on every side

Bridge:

A G F
You know how hard I try sometimes,

A

You could see it in my eyes,

G F

it s always eating me alive,

A

The day to day of getting by,

G F

Self-control from all the helplessness I ve known,

G F G F

I m a wreck, woah, lacking confidence there s no argument you know

Solo/ **C D A F** x s 2

Chorus:

C D A F
Landmines, Landslides no matter how I try

C D A F

I m destined for disaster, a failure by design

C D A F

Landmines, Landslides every single time

C D A F

I m destined for disaster, I m trapped on every side

C D A F C D A F
Woahhhhh... Woah woah woah, Woahhhhh... Woah woah woah,

C D A F
Landmines, Landslides every single time

C D A F C

I m destined for disaster, I m trapped on every side

End on **C**

END
