VERSE: SAME CHORDS AND RHYTHM AS FIRST VERSE

we drove around this place all night

past closed signs and familiar sights

we re moving by passing time

counting those center lines

with 20,000 lines left to go

that lead to somewhere I don t know

it might be the time that we leave this all behind

CHORUS: SAME AS FIRST CHORUS, LET LAST CHORD RING OUT

BRIDGE: NO GUITAR, INTRO ON BASS

there s been a few times that we thought it felt right to take all the westbound signs and just leave town tonight

CHORUS, THEN INTRO 2
