

**The Life Of The Party Has Left The Building
Less Than Jake**

The Life Of The Party Has Left The Building
Less Than Jake

Note: Short as it appears, this is the full length song
Also, it s 2 guitars, one performs long tones and the other plays upstrokes

Eb **Eb/G**
This cycle circles, stalls, then spins

G **G/Cm**
Describes the current state I m in

Cm **Cm/Ab**
It s like a nose dive then a crash

Ab **Ab/Eb**
With all my blackouts and scraped hands

Eb **Eb/G**
It s in the words caught in my throat

G **G/Cm**
It s in the how did I get home?

Cm **Cm/Ab**
I d like to sleep my life away

Ab
But I d just wake up years too late
