Chorus: D G Autumn days and summer nights, the mess we made with the pointless fights Bm Δ It s all that I crave, wish you didn t say, D Goodbye to rain and city lights, well now you re gone and I don t know what BmI will do, I m missing you, I m missing you Instrumental: D, G, Bm, A Verse 2: D Well the sun has set, on this quiet town G

```
Where our hearts first met
      Bm
               Α
I wont say, goodbye
    D
With no regrets and the seasons change
And the seperate lives begin
           Bm
                Α
You re not by, my side
Pre-chorus:
   Α
                     Bm
But it kills me that you wont see
   G
                    D
The same blue sky together we d,
G
              р
                       Α
  Fit perfectly, underneath
  (pause)
We still have memories!
Chorus:
D
                                   G
Autumn days and summer nights, the mess we made with the pointless fights
    Bm
It s all that I crave, Wish you didn t say,
    D
Goodbye to rain and city lights, well now you re gone and I don t know what
 Bm
                                        р
                       Δ
I will do, I m missing you, I m missing you
Α
               Bm
                     G
Hmmm, I m missing you
Bridge:
           Bm
Maybe I ll make believe, that we re holding tight
Like we used to do, Almost every night
        D
And now everytime I close my eyes
 G
I picture you and all the times
   Bm
We smiled and laughed and lied and cried
Α
Under the stars I saw in your eyes
        D
They re deep and blue just like the sea
     G
They pulled me in and now I m drowning
```

BmADSave me, save me! Just give me anything at allGAnything at all!

D G Just take the pain away, cause it even hurts to say...

Bm

I m missing you! A I m missing you! D I m missing you! G I m missing you! Bm I m missing you! A I m missing you! D

I m missing you.

Chorus:

 D
 G

 Autumn days and summer nights, the mess we made with the pointless fights

 Bm
