

Seven Years

Level 42

Intro chords: **E Dmaj7 C#7 F#m**

E
There s thunder rolling in your eyes
A
It s raining in your heart
Bm
What lies around the corner
Bm
You have seen a hundred times
E A
But you never thought anyting like it would happen to you
Bm
Baby s gone
Bm
He walked out on you
Chorus:
F#m Dmaj7
Seven years have come and gone
C#7 F#m
All that time for you
F#m Dmaj7
And now both our hearts must beat the drum
C#7 F#m
To a different tune
E Dmaj7 C#7 F#m
Send all those dreams away baby
E
You can lose yourself in yourself
A
Hurt yourself a little more
Bm
Turn the key and hate the boy
Bm
Forget a soul in distress, leave the real world to others
E A
That s not the way he s coming back ever again
Bm
Baby s gone
Bm
Now what are you gonna do (Repeat Chorus)

Bridge:

Em F
Each time I see a love, a love that s dying
G F
I know what I would do, I know what I would do

Em F
But you can't see cos your heart's in the way Girl you're blinded
G F
And it's hurting so bad, and it's hurting so bad
Em F
But he's so gone, gone away and you can't find him
G F
Was there ever a day, just one day you were happy
Em F
Believe in the power of love, everlasting
G F
To the end of all time, to the end of all time

Solo:

E Dmaj7 C#7 F#m
E A
In a funny way I don't feel sorry getting what you served
Bm
Just you remember very well the lessons you have learned
F#m Dmaj7
And it's August now, your seven years are gone
C#7 F#m
All that time for you
E Dmaj7 C#7 F#m
Send all those dreams away baby ...(repeat)
