**Level 42**

[Intro]

**Bm E Em C D A**

[Verse]

**E G#**  
Oh baby you ve been talking in your sleep  
**A F#**  
I ve been lying here listening to a secret you had meant to keep  
**E G#**  
inside of you were you dreaming of his face  
**A F#**  
I can t begin to take it in, I even know the time and the place  
**E D**  
Like the scene in the film that removes all doubt  
**E D**  
There s a shot of a man who wakes with a shout  
**C F**  
As he steps from a dream he figures it out  
**E D E**  
That s me today  
**E D**  
At the end of a book when the plot unfolds  
**E D**  
But the lines on the page leave a tale untold  
**C F**  
of the spy who never came in from the cold  
**E D E Bm**  
That s me today yeah  
**E**  
Talking in your sleep  
**C D**

[Verse]

**E G#**  
The force of love sometimes hard to resist  
**A**  
But I never thought I d see the day  
**F#**  
Never thought we d come to this  
**E G#**  
So angry now and I m sure you d feel the same  
**A F#**  
I heard it said you took his bed though you barely knew his name  
**E D**

Like the boy leaving home with a hole in his heart

**E**

**D**

Tries to fill up the void with a brand new start

**C**

**F**

Not a day goes by when he s not torn apart
