-4 5 -5 6 -6 7 -6  
I ve been making moves in chains  
6 6 6 -6 6 -5 5  
Wrapped around my hollow heart  
5 -5 6 5 -5 -4  
The thought of you remains  
-4 -4 5 -5 6 -6  
I can t replace your face  
7 7 -7 -6 6 -6  
No matter how I try  
-5 6 6 6 -6 6 -6 -6 5 5  
And in the night I cry from wanting you

-4 -4 5 -5 6 -6 7 -6  
You know I thought I could not lose  
-6 6 6 6 -6 6 -5 5  
A-mer-i-ca was calling me  
-4 6 5 -5 -4  
You said I must choose  
-4 -4 5 -5 6 -6  
Between a life of love  
7 7 -7 -6 6 -6  
Or visions that will fade  
-5 6 6 6 -6 -7  
And now the choice is made  
7 -8 7 -7 -6  
I am so lonely

Next verse  
Heaven help me if you can

I remember better days  
Now I understand  
You can't buy happiness  
Love is not for sale  
The night is turning pale  
And I'm needing you  
I've tried to talk the time away  
Empty ears aren't listening  
To one word I say  
The dream became a big machine  
Out of control  
And here inside my soul  
I am so lonely

Chorus and fade
