Here is Battle of the Beanfield ..

It is uses .. 5th chords !! .. the best chords...

The ones used in the song are E5.. D5...and C5 for the intro ...

which are : -

E5		D5		C5
X		X	X	X
O	Fret 7	O	Fret 5	O
O O		O O		O O

and nasty horrible barre chords for the chorus ...they are : -

Em		D		C
X		X	X	X
O	Fret 7	O	Fret 5	O
O				
O O		O O O		O O O

The song is in 4/4 timing and these chords are played for 7 bars .. then the vocals come in ....

D5	E5		D5	C5	D5	E5	D5
i thought i heard something .. calling me .. i ve seen the

For all you lightweights that don t know what it is about ...

The lovely police ... Nice men and women that they are decided  
that a certain number of peace loving individuals should not  
be allowed access to a festival ground near stone henge....

There had been a festival on the site for years (untill 1983  
that is ... ) when the police beat everyone crapless ..  
very nice of them if you ask me ... and decided that the  
festival goers which actually just a bunch of annoying hippies  
to be pushed around when ever a bored policeman/woman had  
nothing better to do...

and so they did exactly that ... and ever since there has been  
no free festival there... (but one VERY close to it)...

Isn t it nice to know that you live in a free country ..  
BML.....

Have fun working it out .. you ll have to listen to the song to  
get the correct timings ... mainly because i am just to lazy to  
bother writing it out in tab ... oh well .. students eh?? who needs  
them....

bye...
