Lyrics are:

its an open invitation, everybody's free to come  
try to solve this situation, the four corners have been undone  
and its no mystery, just a thin line in the sand  
never fails to frighten me, when you don't understand

come on, come on, come on

come and share a smoke with me, and we'll try to make a plan  
its all so tense you see, in every nation every land  
and its no mystery, man made life rough for some  
it never fails to frighten me, these things can't be undone

come on, come on and see, come on and see the love  
come on, come on and see, come on and see the love  
come on,

now you hold your breath and wait, see how it turns out in the end  
you know its hard to keep your patience, you know the message has been sent

and its no mystery, every nation every land  
open up your eyes and see, before it all gets out of hand

come on, come on and see, come on and see the love  
come on, come on and see, come on and see the love  
come on,

come on, come on, come on and see, come on and see the love  
come on, come on, come on and see, come on and see the love  
come on,

End with Em
