Intro

A A C G A A C G

Am Am C G C G

Am C

In the life in front of you and me

Am F

Seems there is no logic, no place that you must be

Am C

And there are times that it gets so hard to see

Am F

To find the valid reasons for the things that come to be

Am C

But you must try to set your spirit free

Am F

You know you cannot hide from spiritual disease

E F

And it seems you cannot please the present company

Chorus :

Am C Am G

Who could claim to know the answers

Am C F G

It s just the way that we re all meant to be

Am C

Love is stronger in survivors

E G F

Survivors follow destiny

Am C

If you like we could go down to the sea

Am F

We could watch the evening tide and, get the boat to Honalee

Am C

Or we could fly above the dark city

Am F

Gettin higher in the sky with every breath you breathe

Am C

And if you cry about the things you leave

Am F

It s you you should be asking, about what you really need

E F

And you know it is no lie for it only takes belief

Chorus
