**F Gm B(flat) C F**  
nearly over, one man about to fall ...

Well i don t believe in heaven .. i dont believe in hell,  
  
**Dm B(flat) Dm B(flat) C Dm**  
I dont believe what i am seeing .. this is no game cant you tell...

For the midle part the chords are : -

**Dm Gm Dm Gm F B(flat)**

The second verse is : -

I m calling your bluff the first man said,  
The people went to war .. they always wanted more.  
And how could i ever fail to lose, i cant take it  
any more, they don t want to learn the score.  
The second man showed his hand,  
some walked bare-foot cross the land,  
and many have seen the future and are  
doing the best they can ...

chorus

Third verse...

The clock ticked past the final hour,  
and which of the men had lost, and what was the cost?  
The glasses now where empty and gone  
To wash away the shame and take away the pain.

One man left the table,  
the other was head in hands,  
He paid the bill for the defeated,  
the only thing that s left that stands.

chorus(twice)

Hope you can work it out .....
