The Player by the Levellers
>From the album The Levellers

Simple:
verse is just G and C like this:
G **C** **G** **C** **G** **C**
There isn t much to gain by living it all the same way the years...

The same rhythm all the way until the chorus:

G **C** **G** **F**
She came up to me said wanna know a mystery
G **C** **G** **F**
theres a whole wide world for you to see your the player in the game

The G C G F are also used under the instrumental parts

I use Cadd9 (x32033) to simplify it even more.

Thats all I think. Corrections are welcome.
