Levellers

Tabbed By Graham Jones

Great song from the Levellers 2012 album Static on the Airwaves.

Standard Tuning

E C D C (x2)

E **C** **D** **C**
I thought I heard a sound, of the speech on the wind.

E **C** **D** **C**
The smoulder of the smoke, hanging just above.

E **C** **D** **C**
And the darkest of thoughts, have the time to gather round.

E **C** **D** **C**
As gentle was the word, and the speech on the sound.

Chorus:

G **D** **G** **D** **E**
There s a place that s travelled far, always with you in your thoughts.

G **D** **G** **D** **E**
It s where your safe underground, waiting for the world with your song.

E **C** **D** **C**
And the colour of her hair, as it glides across her face.

E **C** **D** **C**
All thoughts of despair, never seemed so out of place.

E **C** **D** **C**
And it seems familiar, as the world echoes.

E **C** **D** **C**
Yeah, thinking of her, where you ought a go.

Chorus:

G **D** **G** **D** **E**
There s a place that s travelled far, always with you in your thoughts.

G **D** **G** **D** **E**
It s where your safe underground, waiting for the world with your song.
