

What Happens To Love
Levellers

Ive heard this song played live, just simon with an acoustic, on the last few gigs ive been to. I don t think its appeared on any albums/singles to date. Its fairly simple, like most levellers work. But a great song.

Played with Capo II fret ive tabbed the chords as if they are played with no capo, as most of the time i can t find mine:p
What happens to love?

[INTRO]

C#m A E B x2
C#m G#m A E
C#m G#m A

[VERSE]

C#m A E B x2

Does Anybody Know What happens to Love
When Hate turns into War
Does Anybody Know What happens to Love
When it cant be found at all

[CHORUS]

C#m G#m A E x2

can somebody tell me?
how the world could be so blind
Does Anybody Know What happens to Love
when love runs outa time

Well i can still remember
the last time we fought
the lines are drawn and quartered
in the calm before the storm

can somebody tell me?
how the world could be so blind
Does Anybody Know What happens to Love
when love runs outa time

[Break]

F#m E A E
F#m A C#m

Does anybody know where the love of god goes

when bombs begin to fall
does anybody care or even know
have we seen it all before

can somebody tell me?
how the world could be so blind
Does Anybody Know What happens to Love
when love runs outa time

and when your fightings over
youve evened up the scores
you cant turn back the tables
to the way they were before

can somebody tell me
how the world could be so blind
Does Anybody Know What happens to Love
when love runs outa time

can somebody tell me
how the world could be so cruel
Does Anybody Know What happens to Love
im just somebodys fool

Enjoy!!! plz email me comments etc
