## Change My Life Levi Hummon

There s a couple ways to do this. Im going to share the capo version Capo on 6 [Into] C G Am F 2x[Verse 1] Tryna think of cool things to say to you But the only thing that comes out is how ya doin ? Am One glass, one look, yeah, I m sold Now your pretty little hand s all I wanna hold You caught my eyes taking off your shades Girl, that one hair flip kinda make my day Can I take you out? Name the time and place Consider my plans this weekend changed [Chorus] Let me pick you up sometimes, drive you around Am Let me kiss you goodnight and keep on thinking out loud Let me hold your hand, let me buy you wine Let me let you, yeah, let me let you change my life Αm Girl, change my life, yeah [Verse 2] Got a couple bucks off a scratch off ticket Girl, I think I know just how to spend it

Fancy food that we can t pronounce

```
F
Gonna pop some bottles back at my house
Is it crazy or romantic, in my head
Already planning how I m gonna love you
How I m gonna love you
[Chorus]
Let me pick you up sometimes, drive you around
Let me kiss you goodnight and keep on thinking out loud
Let me hold your hand, let me buy you wine
Am
Let me let you, yeah, let me let you change my life
                   Αm
Girl, change my life, yeah
[Bridge]
      G
         Am
Ladadada, dadadada
[Chorus]
Let me pick you up sometimes, drive you around
Am
Let me kiss you goodnight and keep on thinking out loud
Let me hold your hand, let me buy you wine
Let me let you, yeah, let me let you change my life
                   Am
Girl, change my life, yeah
                   G
                              Am
Change my life, oh, change my life
Girl, change my life
[Outro]
Ya change my life
Let me let you change my life
```
