

Hardly A Hero
Levi Kreis

G **Em**
Just an ordinary man
G **C**
Thrown into a life I didn't plan
Am7 **G** **Dsus** **D**
Suddenly my world has changed
Am7 **G** **Dsus** **D**
I'm unprepared to make my way

G **Em**
My resolve is growing weak
G **C**
So unsure of who I'm supposed to be
Am7 **G** **Dsus** **D**
The one who takes the noble path
Am7 **G** **Dsus** **D**
Or the one who wants what he can never have

C **G**
And I'm hardly the hero
Am7 **D** **Em**
This is the only thing I know to do
Am7
To make it through
C **Dsus**
But I need you to believe
C **G**
That beneath this bravado
Am7 **D** **Em**
I'd still give anything to have a chance
F
To get you back
C **D** **G**
And I'm hardly a hero for that

G **Em**
Exuberant and terrified
G **C**
Every time I look into your eyes
Am7 **G** **Dsus** **D**
But I can't entertain the thought No
Am7 **G** **Dsus** **D**
Cuz we both know I'm not the man you thought I was

Chorus

Bridge:
