Levi Lowrey

G

Dreamed I was a good man, I could do no wrong,

C

G

always kept my word, my hands were tough, man my back was strong,

D

G

but I was wrong, I was wrong.

G

I dreamed I could be famous, folks would want to hear me sing,

C

G

yeah they'd travel around from town to town to hear my agenda ring,

D

G

but that ain't me, that ain't me.

[Chorus]

C

G

Dreams are meant to chase, chasing's meant for fools.

D

C

G

Fools are meant for living hard and breaking all the rules.

C

Rules bring comfort to the old and keep the younger ones in line.

D

C

G

Lines are made for crossing by the no good dreaming kind.

G

I dreamed that you still loved me, stood right by my side,

C

G

right through thick and thin, rich or poor until the day we died,

D

G

but that ain't right, that ain't right.

G

I dreamed that you were happy, with a love, precious and new,

C

G

I hope he loves you half as much, half as much as I wanted to,

D

G

I really do, I hope it's true.

[Chorus]

C

G

Dreams are meant to chase, chasing's meant for fools.

D

C

G

Fools are meant for living hard and breaking all the rules.

C

G

Rules bring comfort to the old and keep the younger ones in line.

D

C

G

Lines are made for crossing by the no good dreaming kind.
