LEVY

Verse - **Am - G - Am - Em** x 2

1st chorus - **Am - G - Am - Em - D - G - D - G - D**
(alternate between the D chord and Dsus 4 at the end)

2nd chorus - **A - E - F - D - G - D** x 2

Bridge - **Am - G - Am - G - F - Em** x 2

For the verse and the bridge play the G as 002000 almost an open G just leave ring finger on the 2nd fret of the D string from playing the Am.
