[Verse 1]

D

Tell me, your secrets within,

G

Tell me, I know that youâ€™ve been
suffering.

Let go of tears youâ€™ve been saving

G

Sometimes we build walls just to let
them cave in.

A

We break down inside

Bm

While we smile with your eyes

G

Just to please them.

A

I break down inside

Bm

While I lie with my eyes

G

Just to please them.

[Chorus]

D

Ohh let go,
Of what we all know

G

And breathe it.

D

Ohh let go,
Of the insecurities

G

And believe it.

Years have gone by,

And we still donâ€™t know why,

It hurts you inside,

While a part of you dies,

But youâ€™re healing.

A

Break down these walls

Bm

â€™Cause we all have flaws,

G

And we need them.

A

We break down inside,

Bm

While a part of you dies,

G

But youâ€™re healing.

[Chorus]

Ohh let go,

Of what we all know

Of the insecurities
