

**Days Gone Quiet**  
**Lewis Capaldi**

**D** **Bm**  
Now that we're bleeding  
**G** **A**  
Broken and scarred  
**D** **Bm**  
Thought we were finished  
**G** **A**  
And yet, here we are  
**D** **Bm7**  
Stuck in the same place  
**G** **A**  
Despite what we overcame  
**D** **Bm**  
Sometimes don't it make you wonder, darling  
**G** **A**  
When will it come to an end

[Pré-Refrão]

**Bm**  
cause the price we paid  
**G**  
Left a mark that stains  
**D** **A**  
And i don't think I'll ever be the same

[Refrão]

**D** **Bm7**  
We might have kept the black at bay  
**G** **A**  
But all around it still remains  
**D** **Bm7**  
Lord only knows for evermore what  
**G** **A**  
horizons hold for us in store  
**Bm7** **A**  
Looks like there's no way around  
**G**  
But i know I'll try somehow  
**Gm** **D**  
At least it's all gone quiet for now

[Segunda Parte]

**D** **Bm**  
Tomorrow don't mean much

**G** **A**  
In the waters we made  
**D** **Bm**  
And my secrets are waiting for me  
**G** **A**  
When i get to my grave

[Pré-Refrão]
