

Rush (feat. Jessie Reyez)
Lewis Capaldi

[Verso 1]

Em **G**
The space between where our ends meet
C
Has grown too much for me to block it out
Em **G**
I miss the tone of your heartbeat
C
It's such a warming and familiar sound
Em **D/Gb** **G**
I hope you're finding the power
C
To help you make it through the darker days
Em **G**
For now, I wait by the hour
C **D**
If you wanna take somebody's breath away

[Refrão]

G **D** **C**
I hope you're lonely, hope you're lost cause I've been
 D **Em**
And I'd hate to think you're better off without me
 D
I know we tried to hold on
 C
But where do you go
 Cm **G**
When love, it just ain't enough?
G **D** **C**
Now does it kill you when you think about me?
 D **Em**
Are you as close to giving up as I've been?
 D
I know we kept losing touch
 C
Got lost in the rush
 Cm **G**
I pray you don't hurt too much

[Verso 2]

Em **G**
I don't come close to an angel
C

You ain't never been no kind of saint

Em **G**

But when we both came together

C

Hell to heaven, you were my escape

Em **D/Gb** **G**

But fires don't burn forever

C

And all these ashes crumble when we touch

Em **G**

We danced to death in the fire

C **D**

What can we do now the music's done, my love?

[Refrão]

G **D** **C**
I hope you're lonely, hope you're lost cause I've been

D **Em**
And I'd hate to think you're better off without me

D
I know we tried to hold on

C
But where do you go

Cm **G**
When love, it just ain't enough?

G **D** **C**
Now does it kill you when you think about me?

D **Em**
Are you as close to giving up as I've been?

D
I know we kept losing touch

C
Got lost in the rush

Cm **G**
I pray you don't hurt too much

[Ponte]

D
Well, we had it all

Em
And we let it fall

C
But I hope you find whatever you are looking for

D
Well, we had it all

Em
And we let it fall

C
Lost in the rush

Cm **G**
But I pray you don't hurt too much
