

Someone You Loved  
Lewis Capaldi

[Intro]

D A Bm G

[Verse 1]

D A Bm G  
I m going under and this time I feel, there s no one to save me  
D A Bm G  
This all or nothing really got away, you re driving me crazy  
D A Bm G  
I need somebody to heal, somebody to know, somebody to have, somebody to hold  
D A  
It s easy to say but it s never the same  
Bm G  
I guess I kinda liked the way you numbed all the pain

[Chorus]

D  
Now the day bleeds  
A  
Into nightfall  
Bm  
And you re not here  
G  
To get me through it all  
D  
I let my guard down  
A  
And then you pulled the rug  
Bm G  
I was getting kinda used to being someone you loved
