

Sink Or Swim
Lewis Watson

One of my favourite songs, but i earched online for these and couldn t find them anywhere!! So I decided to upload it myself :) As far as I can tell, it sounds right when played with this music video
<http://www.youtube.com/watch?v=UVbsh6LHF2U>

The chords are simple, its half a step down if you want to play along to the video, but you can change it if you want to sing in a different key etc.
If you think it could be improved then email me at EdwardNyari@live.co.uk
