

**Is Anything Wrong**  
**Lhasa de Sela**

I couldn't find a tab for this on the internet so I thought I'd give it a go...but  
I'm sure there's many out there more capable than me, so suggestions welcome...  
Sarah

---Verse---

**C**

I used to say

**Dm**

I'm ready show me the way

**C**

Then another year or two

**Dm**

**C**

Would pass me by

---Chorus---

**F**

Is anything wrong?

**Em**

**Dm**

Oh, love, is anything right?

**C**

And how will we know

**Dm**

**C**

Will time make us wise?

-----

People outside  
They know just what to do  
They look at me  
And they think that I know too

---Chorus---

I've found a home  
Now will life begin  
I can wait another year or two  
But not one moment more

---Chorus---
