-notes in parenthesis are only played sometimes

-there is a lot of room for subtle variation in these riffs (like including the 3rd)

-F#m\* means only play the first half of the riff

**Em**

**Em**

why don t you ask me how long i ve been waiting

**Em**

sat down on the road with the gunshots exploding

**F#m**

i m waiting for you, in the gloom and the blazing

**F#m\***

i m waiting for you

**Em**

i sing like a slave, i know i should know better

i ve learned all my lessons right down to the letter

**F#m**

and still i go on like this year after year

(strum F#m 4 times)

waiting for miracles and shaking.....

(change to 4/4) Em7

.....with fear

**Em7**

why don t you answer, why don t you come save me

show me how to use all these things that you gave me

**F#m7**

turn me inside out so my bones can save me

**F#m7\***

turn me inside out

**Em7**

you ve come this close, you can come even closer

the gunshots get louder and the world spins faster

**F#m7**

and things just get further and further apart

**Em7**

the head from the hands and the hands from my heart

one thing that s true is the way that i love him

the earth down below and the sky up above him

**F#m7**

and still i go on like this day after day

still i go on like this

**Em7 F#m7**

**Em7**

now i ve said this, i already feel stronger

i can t keep waiting for you any longer

**F#m7**

i need you now, not someday when i m ready

**Em7**

come down on the road, come down on the road

**F#m7 Em7 F#m7**

**Em7**

my name, my name  
nothing is

**F#m7**

nothing is the same

**Em7**

and i won t go back the way i came  
my name, my name

**F#m7**

nothing is the same
