

For What It's Worth
Liam Gallagher

Am G F C C/B
In my defence all my intentions were good
Am G F G
And heaven owns a place somewhere for the misunderstood
Dm C F G
You know id give you blood if it d be enough

Am G F C C/B
Devils on my doorstep since the day i was born
Am G F G
Its hard to find a sunset in the eye of a storm
Dm C F
But im a dream up by design and ill know in time
G
We ll put this behind

C C/B Am G
For what it s worth im sorry for the hurt
F Em Dm G
Ill be the first to say i made my own mistakes
C C/B Am G
For what it s worth i know its just a word
Dm
And words betray
F G C C/B
Sometimes we lose our way
Am G F
For what its worth

(G C C/B)

Am G F C C/B
Behind the lands is a poison picture you paint
Am G F G
And lets not pretend you were ever searching for saints
Dm C F G
Cos ive been crucified for just being alive

Am G F C C/B
Somewhere in the crossfire of this whispering war
Am G F G
Seems like i ve forgot just what i was fighting for
D C F
But underneath my skin theres a fire within
G
Still burning

C **C/B** **Am** **G**
For what it s worth im sorry for the hurt
 F **Em** **D** **G**

Ill be the first to say i made my own mistakes

C **C/B** **Am** **G**
For what it s worth i know its just a word

Dm
And words betray

F **G** **C** **C/B**

Sometimes we lose our way

Am **G** **F**

For what its worth

(**G** **C** **C/B**)

Am **F** **C** **C/B**
The first bird to fly gets all the arrows

Am **F** **C** **C/B**

Lets leave the birds behind with all our sorrows

Am **F** **C** **C/B** **Am**

Ill build a bridge between us and ill swallow my pride

(**G** **G/F#** **F** **G**)

C **C/B** **Am** **G**
For what it s worth im sorry for the hurt
 F **Em** **Dm** **G**

Ill be the first to say i made my own mistakes

C **C/B** **Am** **G**
For what it s worth i know its just a word

Dm
And words betray

F **G** **C** **C/B**

Sometimes we lose our way

Am **G** **F** **G** **C**

For what its worth
