      E5                G5 E5 G5 E5 G5 E5
With a greedy soul
      E5                G5 E5 G5 E5 G5 E5
He s going down tonight
      E5                G5 E5 G5 E5 G5 E5
Gonna be out a while
      E5                G5 E5 G5 E5 G5 E5
She s got a six six six
      E5                G5 E5 G5 E5 G5 E5

```

```
      E5                D#5
You re getting told
      A5                E5
Greedy soul
      E5                D#5
You ve been telling lies
      A5                E5
You re a slippery kind
```

```
      A                G                E
And it s a long way down
      A                G                E
When you re the wrong way round
      A                G                E
And that was all too much
      A                G                E
I got the Midas touch
```

```
      E5                G5 E5 G5 E5 G5 E5
They ll take a leaf of gold
      E5                G5 E5 G5 E5 G5 E5
```

Well if the truth be told
E5 G5 E5 G5 E5 G5 E5
He got you kiss and tell
E5 G5 E5 G5 E5 G5 E5
I hope you go to hell
