

Misunderstood
Liam Gallagher

C

They christen you a lost cause

But they ain t fighting your wars

D7

All you need s a little love

F C/B

Your an angel in the making

Dm7 C

Maybe you re misunderstood

C

Found your faith and lost it

A prayer without a prophet

D7

Waiting for a sign from above

F C/B

But you re nothing short of saintly

Dm7 C

Maybe you re misunderstood

Dm

There ain t a mountain you can t climb

C

There s just the dream between the fate that we find

Dm

Gotta keep a diamond in your mind

Am Am/G

When you re tied up in your history

Am D7 C C/B

And nothing ever seems to be nough

Dm7 C

And you re misunderstood

C

Raised inside the shadows

Nothing but regret grows

D7

Waiting on the great and good

F C/B

There s a world there for the taking

Dm7 C

Maybe you re misunderstood

C

Kill 'em all with kindness

Don't let the bastards grind us

D7

Down, walk with your head up

F **C/B**

You're an angel in the making

Dm7 **C**

Yeah you're just misunderstood

Dm

There ain't a mountain you can't climb

C

There's just the dream between the fate that we find

Dm

Gotta keep a diamond in your mind

Am **Am/G**

When you're tied up in your history

Am **D7** **C** **C/B**

And nothing ever seems to be enough

Dm7 **C**

And you're misunderstood

Dm

There ain't a mountain you can't climb

C

There's just the dream between the fate that we find

Dm

Gotta keep a diamond in your mind

Am **Am/G**

When you're tied up in your history

Am **D7** **F** **C/B**

And nothing ever seems to be enough

Dm7 **C**

And you're misunderstood
