A

Something in the way she talks

I can't explain

D

Something deep inside of her

She calls my name

A

And while I waited

For the sun's first kiss

E

She says, Don't worry

A

Something in the way she smiles

I can't explain

D

Nowhere else I'd rather be

No other game

A

No sense of gravity

Into the abyss

E

No need to worry now
