Liam Lynch - Cuz You Do [Chords]

  This is my first time submitting. I know for a fact that these chords are 110%
RIGHT! Also this is one great song.

```
A       D                E   G   D                     E   G   D
Wake Up! And stop being sad girl, I know he makes you sad girl.
             E     G
Make up your mind...
D                                                                A
Let him go, let him know. Cuz I know what a heart s for. Give me a chance and
               G                                         D
I ll give more, like you do, cuz you do, cuz you do.
A       D                E G D           E G D
Wake Up! I d crawl a million miles, I d fight a crocadile. So what s he done
E   G
for you?
D                                                                A
Let him go, let him know. Cuz I know what a heart s for. Give me a chance and
               G                                 D
I ll give more, like you do, cuz you do, cuz you do.
A       D           E G D                         E G D
Wake Up! You make me go wild, since you turned your head and smiled, I don t
               E     G     A D
even know your name, child.
                                     A                       G
Let him go, let him know. Cuz I know what a heart s for. Give me a chance and
                           D D D D
I ll give more, like you do!
