Bedroom Floor Liam Payne

Am Baby, heard you we been talking about me lately Telling all your friends how much you hate me But who you calling up when you get lonely? When you get lonely, yeah Am You be saying real, real nice, real nice things When I m touching you You be getting real, real, real, real, real jealous When it wasn t you, oh And every now when my iPhone, iPhone rings I be telling you I told you, I told you, I told you You said it was over You said it was over But your clothes say different on my bedroom floor Αm You said it was over You said it was over But your clothes say different on my bedroom floor But your clothes say different on my bedroom floor But your clothes say different on my bedroom floor, yeah Baby, why you always act like you don t want me? Don t make me bring up your dirty laundry We always on and off until you re on me Until you re on me, yeah You be saying real, real nice, real nice things When I m touching you You be getting real, real, real, real, real jealous When it wasn t you, oh

And every now when my iPhone, iPhone rings

```
I told you, I told you, I told you

You said it was over

You said it was over

But your clothes say different on my bedroom floor

You said it was over

You said it was over

But your clothes say different on my bedroom floor

But your clothes say different on my bedroom floor

But your clothes say different on my bedroom floor

But your clothes say different on my bedroom floor, yeah

You said it was over, you said it was over

But your clothes say different on my bedroom floor, yeah

Oh, my bedroom floor

Your clothes are saying something different now

You wanna break up just to fix it now

Oh, baby
```

I be telling you

You said it was over
You said it was over
But your clothes say different on my bedroom floor
You said it was over
You said it was over
But your clothes say different on my bedroom floor
But your clothes say different on my bedroom floor
But your clothes say different on my bedroom floor
But your clothes say different on my bedroom floor, yeah
You said it was over
You said it was over (it s over)
But your clothes say different on my bedroom floor, yeah
