

Polaroid (feat. Jonas Blue & Lennon Stella)  
Liam Payne

[Intro] Bm D F#m A E

Bm

Let me tell you how it happened

F#m A E

I wasn't looking for someone that night

Bm

No, I was never a believer

F#m A E

That you could fall in love at the first sight

Bm

But all of a sudden

A/Db

(We loved and got lost in the moment)

F#m

All of a sudden

A E

(She's gone in the flash of a light)

Bm D

I never was looking, hmm

F#m A E

I'll be looking for the rest of my life

Bm

We took a Polaroid

D

You signed your name upon it

F#m

I put it in my wallet

A E Bm

Hoping I'd see your face again

Bm

We took a Polaroid

D

Captured the look in your eyes

F#m

It's only a matter of time

A/Db Bm

Before it starts fading

( Bm D F#m A E )

Bm D

Was it my imagination?
