[Verse 2]

I knew you were empty,
I knew you were lost yet still,
I m alone,
But oh how I ve grown
Thought that he d left me,
Thought that he d burned out bright,
And I m alone,
But somehow I m alright
It seemed so easy,
Just to walk, just to run,
But if you leave me,
I can re-aquaint myself, with my true loved one
Just leave town
I can sleep when you re not around
Thought it was myself that I d found
I said just leave town
I can sleep when you re not around
I gotta take another call right now
