

Gone

Lianne La Havas

Capo on 2nd fret

GONE

Gm **F**
When I Waited for you there was no show
Eb
Made myself believe the untrue
Bb **Gm**
How could I not know
Eb **Bb**
I bet it seemed easier just to lie
Eb **Gm** **Cm**
But i found you out
Gm **F**
This is my last goodbye

Gm **F**
I heard enough fairy tales back in my youth
Eb **Bb** **Gm**
So just stop biting your nails and take the painful truth
Eb **Bb** **Gm**
You just look ridiculous in disguise
Eb **Gm** **Cm**
Yes I found you out
Gm **F**
This is my last goodbye

Cm
Cause it used to be my life and soul
Gm **F**
Keeping everything in tune
Cm
What the heck man?
Eb
Last time I checked man

We had it all
Gm **F**
It was just me and you
Cm
So what happened to you
Eb
Thought I knew you
Gm **F**
No more chances
Cm **Eb** **Gm** **Dm**
I m gone, gone, gone

Love is not blind, it s just different and it is dumb
 So how could I fool myself thinking you were the one
 How sad, how undignified
 Now I found you out
 This is my last goodbye

 Cause it used to be my life and soul
 Keeping everything in tune
 What the heck man?
 Last time I checked man

 We had it all
 It was just me and you
 So what happened to you
 Thought I knew you
 No more chances
 I m gone, gone, gone
