Dm
You caught me, guilty
F **Am** **C**
Taking the pieces of you

Dm
That night, you took flight
F **Am** **C**
I couldn't decide what to do

Would that be the right thing to do?

We all make mistakes, we do
C
I learnt from you

We all make mistakes, we do
C
I learnt from you

Dm
I tiptoe, too slow
F **Am** **C**
Out of the door to your house
Dm
I know you know
F **Am** **C**
That this was leads me out

Outside, too bright
F **Am** **C**
You're within I'm without

You're within
