

**The Untold Battle  
Lies Left Untold**

[Intro]

**Em, D, C, B7**

[Verse]

**Em, D, C, B7**

in a lying world of hatred  
egos reign the unforgiven  
lights shine through the darkest places  
giving hope to those that need it

**Em, D, C, B7**

Every beat and every moment  
struggle through the toughest times  
and everyone should be alive  
to see this moment come to life

[Pre Chorus]

**C, B7, Em, D**

in this battle that we re fighting  
friends and foes are undivided  
all align for the great unknown  
all we want is just peace in life

[Chorus]

**Em, D, C, B7**

as we fight, as we hold on tight  
in this battle, battle for true life  
please don t let me go

**Em, D, C, B7**

hearts are broken, lies are spoken  
children raped and killed all over  
So help me God, lead us now

[Pre-Verse]

**Em, F#, G, A (2x)**

[Verse]

**Em, D, C, B7**

We crawl, we fall, we bleed, we bruise  
all the pain you brought will only say you lose  
yeah we fight to live, and we live to fight  
and we ll be surviving in this moment of time

**Em, D, C, B7**

We crawl, we fall, we bleed, we bruise  
all the pain you brought will only say you lose  
yeah we fight to live, and we live to fight  
and we ll be surviving in this moment of time

[Pre Chorus]

**C, B7, Em, D**

in this battle that we re fighting  
friends and foes are undivided  
all align for the great unknown  
all we want is just peace in life

[Chorus]

**Em, D, C, B7**

hearts are broken, lies are spoken  
children raped and killed all over  
So help me God, lead us now

**Em, D, C, B7**

this is our time to rise above  
this is our time to speak our hearts  
this is our time to move ahead  
this is our time to LEAD THE WAY!
