

Heroin Dreams

Life of Agony

E **A**

And it was never enough

E A
And it was never enough now

—

E **A**
That heroin stuff

E Traveling through Daddy s arm now **A**

E Cuffed in that junk who knows if I would survive **A**

E Once you start shooting, forget living **A** life

E Lost in your shadows, no soul, no backbone **A**

E Sucked in, locked down, spinning breakdown, heroin whores **A**

E **D** **A**
Everybody s talking about heroin dreams...

E What the fuck you gonna do with the rest of your **D** life? **A**

E **A**
Scream at me, back slap me, chew off my ears

E And I can't stop this sickness, I've been trying for years **A**

E Deeper and deeper lies, sensational fears **A**

E They're here just to guide you as we age through the years **A**

E **D** **A**
Everybody s talking about heroin dreams...

E What the fuck you gonna do with the rest of your **D** life? **A**

E **D** **A**

What the fuck you ganne do with the rest of your time?

E D A
I m lost in your shadows...
