Life of Agony - Let s Pretend
(Keith Caputo)

C **Am** **Bb**
In the stillness of the night my eyes are closed.

G
My mouth is wide.

C **Am**
I could see her face.

Bb **G**
Her beautiful hair I could recognize.

F **C**
She looks at me cold.

Am **Bb** **G**
She probably don t know who I am.

C **Am** **Bb**
Mommy it is me, it s Keith.

G **F**
You had me back when...

C **Am** **Bb** **G**
But sometimes I like to pretend, that she knows me, that she holds me.

C **Am** **Bb** **G**
Sometimes I like to pretend, that she knows me, that she holds me.

F **C**
I guess I can t, cause she doesn t know who I am.

My mind it s dreaming, God it s so misleading.

Do you think it s cause I ve grown old.
Is it true that what I was told?
You cried to leave me?

You know I know it s not your fault.
You had a husband now you re selfish and cold.
Believe me I know.

G **E**
And now I hear you used to treat me cold.

F
You disappeared and left me all alone.

G **E**
I m sure you didn t know right from wrong.

F **F**

cause both of you were always getting stoned.

But sometimes I like to pretend.

But sometimes I like to pretend, that she knows me

Sometimes I like to pretend, that she holds me.

Sometimes I like to pretend, that she knows me.

Sometimes I like to pretend, that she holds me.

I guess I can't, cause she doesn't know who I am.
