Intro Rythm1

Rythm1
If tomorrow never shows
I want you all to know
That I love you all you re beautiful
And I hate myself a ball

Rythm1
I ve wasted so much precious time
Been skating along these fine lines
Now these weeds have grown where the sun once shown
And my life has passed me by

Bridge
And my life has passed me by
And I don t know why

Rythm3
I keep searching for something that I never found
While these weeds get deeper as I turn around
And time grows older and I ve grown colder
So long has passed that I forgot to count

Rythm3

These weeds have grown where the sun once shown
And I can feel it

Rythm1

Today I cut off all the ties
I ve been led blind for all this time
But somewhere in between the lines
Are the hearts and minds of those who tried

Bridge

And although I ve heard your lies...

Rythm2

This space between us...
