Verses: **Cadd9, Em, G, Em, D, Cadd9**

Chorus: **G, D, C2**

VERSE I:

The rain pours down, as I look out
My blue sky s now, a big black cloud
So I cry out, you just hold out
Your hands, you can t, stop the rain, so you sing, and dance

Now I see, blue skies in your eyes
You smell, green grass in hard times
Well I m the one who, sees you when you fall
I see how you, rise up, like you . . . can conquer any wall

CHORUS:

Oh so it s all that I can take
Oh no to think it s much too late
When I see your faithful eyes
Although you, are only five
And I need those Faithful Eyes

VERSE II:

I sought the wrong road,yea, thought it would be short
It was the long road, yea, now I ve lost my coarse
But you see meeee, and you see hope when I see fear
And you know things, like when my faith disappears

CHORUS (x2)

BRIDGE:

As blue skies fall, so i fall to the ground
To think - I could - get lost, So easily - at the first
sight -
of grey - and I m down
But you leap so easily and crawl yet you lead me
You speak to me, see through me, cause I m found in your
eyes,
when you see through me

And It s all (all) that I can say
It s all that I can take
