

Blind Acoustic
Lifhouse

My attempt was to write a doable acoustic version for a single guitarist on this song.

was meant for novice players who are better with standard chords. If you add little it will sound great for anyone.

Enjoy

I never thought we'd be hereâ€| never thought we'd be here
When my love fr u was blindâ€|
But I c-dn't mke you see itâ€| c-dn't make you see it
