I'm hanging on another day just to see what you will throw my way

And I m hanging on to the words you say

You said that I will be ok

The broken lights on the freeway left me here alone

I may have lost my way now, haven t forgotten my way home

I m falling apart, I m barely breathing

With a broken heart that s still beating

In the pain there is healing

In your name I find meaning

So I m holdin on, I m holdin on, I m holdin on

I m barely holdin on to you

I m holdin on

I m holdin on

I m holdin on

I m barely holdin on to you
