

Central Park
Lifehouse

[Intro] C Dm F Dm

C

This time away brings me even closer

Dm

So much to say, I've been thinking over

F

Em

Dm

All the things you do to make me smile

C

I see your face around every corner

Dm

Each passing day is a little longer

F

Em

Dm

Can't fall asleep, so I count the miles

F G

Dm

As sure as the sun going down

C

G

I'll always be around

F

I'll always be around

C

I'm afraid of living here without you

Dm

My years were made to wrap my life around you

F

Em

Dm

When I'm away, our souls are tied

F G

Dm

As sure as the waves crash to the shore

C

G

I'll always be yours

F

I'll always be yours

G

Oh oahoah

Dm

Oh oahoah

C

I'm in the dark, and there's a light that's shining

Dm

In Central Park, where all the ghosts are hiding

F

Em

Dm

This city spark starts to fade

F **G** **Dm**
As sure as there are stars up above
C **G**
You ll always be loved

F **G** **Dm**
And as sure as gravity pulling us down
C **G**
I ll always be around
F
I ll always be around
