

Dont Wake Me When Its Over
Lifehouse

Bonus track from Smoke & Mirrors and one of the best songs. Not quite sure about the last line of the chorus but this should get you going.

Don t Wake Me When It s Over

CAPO 3

Intro:

Am F

V1:

Am F

There s so much more than time in the life we live

Am F

And so much more to love than we care to give

G

You say a hard rain s gonna fall

D

Well I m not afraid

Chorus:

F G

I m floating in my mind as the world gets colder

Am G

Frozen like a star, don t wake me when it s over

F G

Breakdown all around, the world is off my shoulder

Am Bm F

I m falling with the tide; don t wake me when it s over now

V2:

Am F

Silence is the only sound that I want to hear

Am F

In the space where we are now everything is clear

G

They say that trouble s on the way

D

Well I m not afraid

[Chorus]

Instrumental:

Am F G Am

Chorus 2:

F G

I m floating in my mind as the world gets colder

Am

G

Frozen like a star, don t wake me when it s over

F

G

Running out of time as the sun gets closer

F

G

Fading far behind as yesterday grows older

F

G

Breakdown all around, the world is off my shoulder

Am

Bm

F

I m falling with the tide; don t wake me when it s over now

[Instrumental]
